

Impact 2017 - 2018 Sport Premium Money at Monkshouse Primary School

Cost	Expenditure	Intended impact	Actual Impact
£2,775 (as part of a package)	Entry fees and transport to local sports festivals and competitions	To attend and to participate in local school games tournaments run by Agilitias. Provide opportunities for a greater number of children within our school to experience sports tournaments and participate in School Games	Children have entered 5 competitions in a range of sports and have extended their knowledge of these, and their skills have improved as a result. Because of this, they have noted 'feeling confident with the sports they have participated in' and have 'enjoyed representing the school'. They have indicated a high level of enjoyment and participation has improved also. Monkshouse School are, in particular, proud of their achievements at the Rounders and Athletics Tournaments once again this year with a silver team medal in Rounders and silver/bronze individual medals in the Athletics. Pupils were able to experience the value of sportsmanship and healthy competition and reinforce the school value of teamwork. It also gave them the opportunity to socialise with other children from a range of backgrounds.
£2,775 (as part of a package)	To provide sports specific CPD training for members of staff in a range of sports.	With a range of sports on offer, staff will have the opportunity to learn a range of new skills to bring back to their PE lessons and clubs.	Staff have had the opportunity to take part in a range of sports qualifications such as hockey and gymnastics. They have been able to take these skills into their own PE lessons and after school clubs, and have commented how confident they are at delivering these to their children.
£2,775 (as part of a package)	To organise a pupil premium Sporting event (1/2 day visit to PGL, Caythorpe)	Chosen children will be given the chance to take part in an exciting new aspect of PE and sport.	Selected pupil premium children from across the school were chosen to take part in exciting sporting challenges at PGL during a ½ day visit. They were able to try sports, tackle new challenges and work together to solve a variety of practical problems. It was commented how their confidence had grown and how this visit has enabled them to try new things both inside and outside the classroom.

<p>£2,775 (as part of a package)</p>	<p>Olympic Athlete visit</p>	<p>For chosen girls to be given a chance to be inspired by an elite athlete To understand how to make it to the top level</p>	<p>A national swimmer inspired chosen girls as to what it takes to make it to the top level. They learnt the importance of teamwork, perseverance, sacrifice and other key values and were enthused by the activities she had to offer.</p>
<p>£5000</p>	<p>Premier Sports</p>	<p>To allow staff and children to participate in a range of sports and clubs which are led by professional coaches in order to develop their knowledge and understanding. This will allow an opportunity for teachers to learn from professional PE trained staff, which will impact on their own knowledge and understanding.</p>	<p>Children have received high quality PE coaching from PE specialists. This has also given the staff the opportunity to work closely with these, and take these skills to their own PE teaching. Staff have commented how much their confidence has grown as a result of this.</p>
<p>£2,280</p>	<p>Coaches to run 2 after school clubs for 39 weeks of the year</p>	<p>To raise participation in extra curriculum clubs giving those children that are not able to access sport an opportunity to attend an after school</p>	<p>Children have improved confidence and understanding of a range of sports. Children have noted how they felt 'more ready' for competitions particularly from the 'multi-skills' club which has led to improved achievement at other competitions. Sports clubs in general have been noted to fill up early and even be oversubscribed due to their popularity. Children have also commented how they have enjoyed using a range of new equipment and trying new sports such</p>

		<p>club</p> <p>To introduce new sports and activities to encourage more children to take part in sport</p>	<p>as badminton, table-tennis and curling to name a few.</p>
£1,520	<p>Lunchtime playground leader to run new games and activities - 2 days a week for 39 weeks of the year</p>	<p>To raise participation in extra curriculum clubs giving those children that are not able to access sport an opportunity to attend a lunchtime club</p>	<p>Because the playground is more structured and organised, behaviour has improved significantly as a result of this. Children have enjoyed taking part in a range of sporting activities which has been delivered by the playground leaders themselves.</p>
£1500	<p>CPD for 2 teachers - 6 week block of training and support from Agilitas</p>	<p>To hire qualified sports coaches to work with teachers so that staff confidence and skill development for teaching PE increases.</p> <p>To provide existing staff with training to help them teach PE and sport more effectively</p>	<p>We have invested in 'upskilling' teaching staff to ensure that PE lessons are taught to a high standard and enhance pupils' skills and enjoyment within the sport. As a result, their confidence has improved significantly and lesson observations have been at least 'good'.</p> <p>They also feel more confident at using the indoor apparatus, which has a positive impact on their gymnastics/dance lessons.</p>

£1,750	Weekly yoga sessions for allocated KS2 classes	To introduce new sports and activities to encourage more children to take part in sport	All children can access this sport, and it has encouraged reflection and mindfulness across year groups. Children have commented how they feel 'more relaxed' after this and 'more alert' during lessons. Behaviour has improved significantly for certain children and this has been noted by their teachers also.														
£500	TA to run a weekly Change4life club	To support and involve the least active children by running a Change4life club	<p>More children have accessed the club this year, and the stage leaders feel more confident in delivering these sessions to the children. Children also took part in the C4L festival for the 1st time, and their PE skills and confidence improved as a result. The children have learnt about healthy choices and active lifestyles, which have impacted significantly on them both in and out of school. This is the first year the school has participated and the leaders won a t-shirt for the best game.</p> <table border="1"> <thead> <tr> <th>Year group:</th> <th>Y1</th> <th>Y2</th> <th>Y3</th> <th>Y4</th> <th>Y5</th> <th>Y6</th> </tr> </thead> <tbody> <tr> <td>Results:</td> <td>73.64%</td> <td>78.24%</td> <td>83.97%</td> <td>74.28%</td> <td>81.68%</td> <td>60.04%</td> </tr> </tbody> </table>	Year group:	Y1	Y2	Y3	Y4	Y5	Y6	Results:	73.64%	78.24%	83.97%	74.28%	81.68%	60.04%

£3800	Purchase equipment for lunchtime clubs Purchase equipment for new sports	Provide children the opportunity to play a range of games during lunch time clubs Provide children the opportunity to try new, exciting sports	<p>Children have had the opportunity to take part in a range of exciting activities at lunchtimes, which has in turn boosted their enjoyment and engagement.</p> <p>Children have also had the opportunity to take part in a range of new, exciting sports in after school clubs, PE lessons, lunchtime clubs etc (Curling, table tennis equipment, rules, training manuals, long jump mats, javelin, hammer, netballs, cricket, rounders, softball, handball, volleyball, dodgeball) Children</p>														

			have commented how they have enjoyed taking part in new sports as well learning new skills which can be transferred to other sports.
£900	Cycling/BMX display	To deliver an inspirational BMX show To understand how to make it to the top level To learn the importance of a healthy lifestyle	Children of all ages were enthused and engaged by professional BMX riders. They learnt the importance of teamwork, perseverance, sacrifice and other key values. They were enthused by the activities he had to offer. They also discussed with the children the need for a healthy lifestyle and how this can impact on their sporting success. One child in year 5 commented how they inspired him to buy a BMX and try his own tricks learnt from the pair.
£700	Freestyle football workshop	To deliver an inspirational freestyle football workshop To teach children freestyle football tricks To learn the importance of a healthy lifestyle To understand how to make it to the top level	Children of all ages were enthused and engaged by British number 2 football freestyler Jamie Knight. They were able to learn and experiment with challenging tricks which were taught to them in a child friendly manner. After this, children were having their own 'freestyle areas' in the playground and this soon became a lunchtime club.
£500	Development of multi-cultural dance	Children to have the opportunity to learn a dance from another culture. From here, they will have an increased awareness of a range of cultures.	Children were able to learn contemporary dance moves from within a professional dance setting. They were also exposed to other cultures and how these differ to one another.

£1,275	Healthy Lifestyle workshop (healthy eating/fitness circuits)	<p>To deliver a fitness workshop which teaches children the importance of staying active</p> <p>To deliver healthy eating workshops which teaches children the importance of why we eat certain foods/avoid certain foods</p>	<p>Children were taught a range of exciting fitness challenges in a circuit fashion. They were able to appreciate how elite athletes train and how this links into professional sports. It was discussed with them how this training could even happen in their gym when they reach an appropriate age!</p> <p>Children understood what would happen to our bodies if we eat certain foods and what impact this could have on them later in life in this continues. They commented on how much they learnt from this experience, and how foods which they thought were healthy, were in fact the opposite!</p>
£800	Health, Wellbeing and Mindfulness training for staff	To reduce anxiety to young children	Staff were trained at delivering mindfulness to children across the school. It was discussed how this approach can be bought into any aspect of the school day, and how little and often teachings could benefit their concentration and anxiety levels. This approach will be looking to continue next year in afternoon sessions.
£675	Training for staff for swimming	<p>2Xmembers of staff to receive Primary Teaching Swimming qualifications</p> <p>2Xmembers of staff to teach whole groups for swimming</p>	<p>2Xmembers of staff now qualified to deliver whole class groups in the swimming pool. This has in turn had a positive effect on the % of year 6 children obtaining their 25m badges compared to last year's figures.</p> <p>Outside of school, several of our pupils are now swimming at a high level with one being selected at county level with others swimming at a distance exceeding 4 digits!</p>
