

English

To inspire children with their writing we will be thinking about superheroes and even dressing up as superheroes! The children will be writing descriptions of superheroes and looking at how a capital letter should be used for a name. Using their knowledge of superheroes the children will be creating fact files about their favourite superhero. We will also explore the 'Supertato' story and create our own comic strip using onomatopoeia.

ICT

The children will be getting to grips with programming Beebots. They will be using technological language such as debugging (fixing our mistakes) and algorithm (instructions).

PE

- Multi skills - Indoor
- Boot camp—Outdoor

Music

Following our music scheme Charanga we will be learning a song called Hey You !

Maths

- Week 1—Counting amounts to 20
- Week 2—More and less
- Week 3— Counting in 2s
- Week 4—Addition
- Week 5—Number bonds
- Week 6—Subtraction
- Week 7— Recapping from the term.

General

PE Days

- Miss Cooke –Monday and Wednesday
- Mrs Quinton – Monday and Tuesday

Homework is given out on Wednesdays and must be completed and then returned on Mondays.

Spellings are given out and tested each Monday.

SUPERHEROES

Home Reading—All the children should have

come home with their book bag and new reading books. The children will be expected to change their own reading books daily with support from an adult. On a Friday all books will be changed and a record of how many times the child as read will be kept to work towards the Monkshouse cinema.

RE—We will be looking at places of worship with a focus on Judaism. The children will learn about the features of a synagogue and the special artefacts that are connected with Judaism worship. We will finish the topic with a special Shabbat meal.

PSHE/SEAL

We will be exploring what's right and wrong by what traits our heroes and villains. A real life hero our local PSCO will be visiting us to talk about their job and what they do to keep us safe.

Art and Design Technology

The children will be sketching superheroes and designing their own superhero! We will be studying famous pop artists Roy Lichtenstein and Andy Warhol and looking at the techniques they use to create comic book art. The children will be taste testing a range of fruits before designing and making their own healthy superhero smoothie . Let's hope it gives us super strength!

History

Throughout the term, we will be learning about real life superhero, Florence Nightingale. We will learn about who Florence was and what she did. We will be comparing what hospitals were like when Florence worked there compared to now. The children will be writing a fact file about Florence including all of the information that they learn.
