

DT

Research what a bug hotel looks like.
Can you design and make a bug hotel for your garden?

What materials will you need?

What will it look like?

Evaluate your design and bug hotel.

PE

Ball skills—practice your ball skills of throwing and catching. Explore different ways of throwing or passing a ball. Try playing ball games with members of your house hold. Here are some suggestions

- Piggy in the middle
- Basketball/ netball
- How many throws and catches can you do in 1 minute

Geography

Can you remember any of the world's continents and oceans?

With a grown up, use a world map to find the 7 continents and 5 oceans of the world. Were you right?

Home Learning Projects

Year 1: 18/5/20 - 1/6/20

Maths

Get your brains working hard and see how many different ways you can make these numbers!

9, 12, 17, 20

You could add, subtract or use your times tables.

You could even challenge a grown up and see if they can think of as many ways as you!

English

Read/ listen to the story of Jack and the Beanstalk.

In the story of Jack and the Beanstalk Jack takes the giant's golden egg. Can you write a letter to the giant from Jack explaining why he took the golden egg.

Science

To help you with making your bug hotel, revisit our earlier learning on materials.

Can you remember making Paddington's waterproof hat? Were all the materials we tested suitable?

Talk about different types of materials and their properties with your grown ups, to consider their suitability. To refresh your knowledge you could use this link.
