

English

This term we will be using the beautiful book *Tree* by Britta Teckentrip. We will be starting our topic with a memorable autumn walk after which the children will be writing recounts using time adverbials and adjectives. We will be listening to and then writing our seasonal poetry.

ICT

This term we will be continuing to programme Beebots using algorithms. We will be having a big focus on E-safety. We will be discussing the importance of using age appropriate software and programmes and learning about how to keep safe online.

PE

Sports: Story Time Dance
Fitness: Mighty Movers

PSHE

The focus this term will be friendship and feelings. We will be exploring what makes a good friend and the importance of identifying how we and others feel.

Maths

- Week 1- 2D shapes
- Week 2—3d shapes
- Week 3 -3d shapes & their properties
- Week 4—Addition
- Week 5— Subtraction
- Week 6- Money
- Week 7& 8—Assessment of skills

General

PE Days

- Miss Cooke- Tuesday (indoor) and Wednesday (outdoor)
- Mrs Quinton - Tuesday (indoor) and Wednesday (outdoor)

Homework and spellings are given out each Wednesday to be returned by the following Monday.

SPLENDID SKIES

Science

During this topic children will be looking at the seasonal changes across the year and how these are influenced by weather conditions.

On our Science day Wednesday 6th November we will be creating our own clouds in a jar and looking at how to measure rainfall .

RE

This term we will be looking at the features of a Christian church. To do this we will visit a church and look at the artefacts inside and out. Leading up to Christmas we will learn about the Christian Christmas story.

Music

Our focus this term is rhythm. Following Charanga, a music scheme, the children will be listening to and keeping rhythm to reggae style music. Leading up to Christmas we will be learning songs for the Nativity.

Art and Design Technology

This term the children will use a range of materials and techniques to create clouds. We will be studying the famous painting *Starry Night* by Van Gogh.

In D&T we will be asking the question, Have you flown a kite? The children will explore making and flying their own kites.

Geography

In geography the children will be looking at the seasonal and daily weather patterns for Spalding and then making comparisons with a contrasting country. We will be broadcasting the Monkshouse weather show using green screen technology. Is there snow on the way?
