

English

We will be focusing on the character of Paddington Bear in our English this term and all of his adventures in London. We will write a postcard to Auntie Lucy from London telling her all the wonderful things we have seen.

We will be exploring how to use imperative verbs in our instruction writing. To do this we will make a sequence and then write instructions for Paddington Bears' marmalade sandwiches. Yum!

To inspire the children to write adventure stories we will be exploring the fictional story of 'Town Mouse and Country Mouse'.

RE

Our focus for this term is Islam. We will learn about people's beliefs. The children will also find out how Allah is described in the Qur'an, as well as what Muslims learn about Allah and their faith.

PE

- Groovy Gymnastics (Indoor)
- Skipping (Outdoor)

ICT

We will be using the programming app Scratch JR.

Maths

- Finding half of objects and amounts.
- Finding quarter of objects and amounts
- Multiplication
- Division
- Solving calculation problems.

General

PE Days

- Miss Cooke - Indoor—Wednesday & Mindfulness Indoor—Thursday
- Mrs Quinton- Indoor—Monday & Outdoor—Wednesday

Homework and spellings are given out on Wednesdays and must be returned on Mondays.

Don't forget our visit from 'The Queen' on Monday 13th January. We ask the children to come in clothes fit from royalty.

BRIGHT LIGHTS

Science

During this topic the children will be focussing on materials. We will be naming and sorting objects into their material groups. To test their various properties the children will be exploring the materials to find out which material would be best for a waterproof hat. They will have to predict and test their chosen material to see if it is suitable.

Music

Following the Charanga scheme the children will be learning a song called The Grove to hear different styles of music including Blues, Baroque, Latin, Folk and Funk.

PSHE/SEAL

Our theme is Going for Goals, so in January we will setting our new years resolutions and targets for the new year ahead.

We will also be thinking about healthy eating and the importance of a balanced diet.

Art and Design Technology

We will be looking at the design of the Tudor houses on Pudding Lane in 1666 to create are our Tudor house to look at how the fire spread so quickly.

The children will also be using Lego to construct model buildings related to London.

Geography

During the term, we will be learning about where different countries are within the UK. We will be using locational language to describe where places are on a map. We will compare villages/ town and cities to look at the similarities and differences before comparing Spalding to London.

History

Children will be learning about the Great Fire of London. They will understand where and how the fire started and what happened next. They will be reading diaries and extracts from different people about their recounts of the event.
