

Art

Take your home learning book outside and look at the different types of leaves in your garden. Look very closely at them. Sketch different ones showing the fine lines they have. Make sure you wash your hands afterwards.

PSHE

What rules have you got at home at the moment?

Why do you have rules?

Who is helping you in the community?

How are they helping you? Describe what one person is doing to help you and your family?

Science

Look in your garden and find a flower or tree.

Draw it and label its different parts.

Vocabulary- roots, stem, leaf, petal, trunk, branch.

Home Learning Projects Year 2: 4th May– 18th May

If you are unable to access Seesaw, then please work on these activities, alongside the ones we have already sent home, in your home school book. Take a photo of the more practical activities and put them in your book.

Maths

Learn to tell the time. .
Look at the clock at different times of the day.

What time do you:-

Get up, have lunch, have tea, go out to play and go to bed?

What else do you do throughout the day and what time do you do it?

Science

Make a parachute to hold an egg and keep it safe. Can you find items around your house to make a parachute. (string, wool, plastic, cloth.etc) It must hold an egg (fresh) underneath The egg is not allowed to break. Test it with a toy first to ensure it does not crash to the ground. Take a picture of your parachute or draw it in your book.

English

Think about your garden and choose one area. Imagine you have been shrunk by a ray gun. How are you going to get home? Write a short story about your adventure.

Include

Exciting vocabulary, 'because', ?
