

Impact 2018 - 2019 Sport Premium Money at Monkshouse Primary School (£18,970)

Cost	Expenditure	Intended impact	Actual Impact
£500	Entry fees local Sports Games competitions	To attend and to participate in local school games tournaments run by Agilitas. Provide opportunities for a greater number of children within our school to experience sports' tournaments and participate in School Games	Children have entered 8 competitions in a range of sports and have extended their knowledge of these, and their skills have improved as a result. Because of this, they have noted 'feeling proud to represent their school' and are 'ecstatic at bringing back lots of medals'. They have indicated a high level of enjoyment and, with 3 SEN tournaments entered, tournament participation has improved as a result. Monkshouse School are, in particular, proud of their achievements at the Rounders, Athletics, Change 4 Life and Hockey Tournaments. With a silver in Athletics, Change 4 Life and Hockey (Intermediate group) and a Gold in Rounders, this has been the best year yet in terms of medals. Pupils were able to experience the value of sportsmanship and healthy competition and reinforce the school value of teamwork. It also gave them the opportunity to socialise with other children from a range of backgrounds.
£750	CPD for 2 teachers - 6 week block of training and support from Agilitas	To hire qualified sports coaches to work with teachers so that staff confidence and skill development for teaching PE increases. To provide existing staff with training to help them teach PE and	We have invested in 'upskilling' teaching staff to ensure that PE lessons are taught to a high standard and enhance pupils' skills and enjoyment within the sport. As a result, their confidence has improved significantly and lesson observations have been at least 'good' - with one being 'Outstanding'. They also feel more confident at using the equipment safely and how to model a range of techniques safely and efficiently.

		sport more effectively	
£3800	Premier Sports	<p>To allow staff and children to participate in a range of sports and clubs which are led by professional coaches in order to develop their knowledge and understanding.</p> <p>This will allow an opportunity for teachers to learn from professional PE trained staff, which will impact on their own knowledge and understanding.</p>	<p>Children have received high quality PE coaching from PE specialists. This has also given the staff the opportunity to work closely with the coaches, and take these skills to their own PE teaching. Staff have commented how much their confidence has grown as a result of this.</p>
£3,800	Coaches to run 2 after school clubs for 39 weeks of the year	<p>To raise participation in extra curriculum clubs giving those children that are not able to access sport an opportunity to attend an after school club</p> <p>To introduce new sports</p>	<p>Children have been enjoyed taking part in a range of new and exciting sports during the academic year. Children have commented how much they enjoyed playing sports they have never tried before and have been enthusiastic in learning new skills. Sports clubs in general have been noted to fill up early and even be oversubscribed due to their popularity.</p>

		and activities to encourage more children to take part in sport	
£200	Olympic Athlete visit	For children to be given a chance to be inspired by an elite athlete. To understand how to make it to the top level	A national hockey player inspired children as to what it takes to make it to the top level. They learnt the importance of teamwork, perseverance, sacrifice and other key values and were enthused by the activities she had to offer.
£200	Competition leagues	Entry into Football and Rounders competition leagues	Children were given the opportunity to participate in a Football and Rounders competitive league. Positive outcomes included a 2 nd place finish in the football and a 1 st place finish in the Rounders. This also helped to prepare the children in the local School Games competitions as well giving more children a chance to engage in these sports.
£925	Commando Joe's Health and Fitness workshops/obstacle courses	Provide children the opportunity to take part in a range of vigorous team building activities	Children to be shown how to lead a healthy lifestyle as well being shown a range of fitness exercises to maintain a healthy lifestyle. Children to be put to the test in a competitive, army drill style of teaching.
£900	Cycling/BMX display	To deliver an inspirational BMX show To understand how to make it to the top level To learn the importance of a healthy lifestyle	Children of all ages were enthused and engaged by professional BMX riders. They learnt the importance of teamwork, perseverance, sacrifice and other key values. They were enthused by the activities he had to offer. They also discussed with the children the need for a healthy lifestyle and how this can impact on their sporting success. One child in year 5 commented how they inspired him to buy a BMX and try his own tricks learnt from the pair.
£500	Purchase competition kit Local business sponsorships	Provide children with new sports kit for School Games Competitions	Children to represent the school in a brand new kit with the colours of the school. Monkshouse also have a sponsor and are in partnership with a local business company, and there is a sense of pride in representing the school.

£200	Transport - to increase engagement for competitive and participation sports tournaments	Buses to be used to transport children	Transport to be used to give children access to a range of great competitions and SEN School Games tournaments
£1000	Gymnastics club	To deliver high quality Gymnastics throughout the year in preparation for the end of year competition. Children to show their skills in an end of year assembly to the school and parents.	Children received high quality gymnastic coaching from 2 trained members of staff. An end of year presentation was put on show to the parents and their training also prepared them for the local competition. Children worked towards the achievement of a range of awards.
£500	Athletics Club	To deliver high quality Athletics throughout the year in preparation for the end of year competition.	Children received high quality Athletics coaching from a trained member of staff. At the end of the year, children took part in the Athletics School Games tournament and finished 2 nd with a silver medal, with a number of individual medals being won - sense of pride and determination.

£500	TA to run a weekly Change4life club	To support and involve the least active children by running a Change4life club	<p>More children have accessed the club this year, and the stage leaders feel more confident in delivering these sessions to the children. Children also took part in the C4L festival for the 1st time, and their PE skills and confidence improved as a result. The children have learnt about healthy choices and active lifestyles, which have impacted significantly on them both in and out of school. This is the first year the school has participated and the leaders won a t-shirt for the development of best game.</p> <table border="1" data-bbox="1005 523 1912 632"> <thead> <tr> <th>Year group:</th> <th>y1</th> <th>y2</th> <th>y3</th> <th>y4</th> <th>y5</th> <th>y6</th> </tr> </thead> <tbody> <tr> <td>Results:</td> <td>76.5%</td> <td>77.6%</td> <td>85.77%</td> <td>74.11%</td> <td>83.78%</td> <td>62.19%</td> </tr> </tbody> </table>	Year group:	y1	y2	y3	y4	y5	y6	Results:	76.5%	77.6%	85.77%	74.11%	83.78%	62.19%
