

Whilst we are apart, it is really important to remember that we are all part of one amazing school community who are facing the same challenges.

We would like each child to fill the puzzle piece attached with words, drawings or colours that represent them. This will symbolise that we all have a part to play during this difficult time and we are all part of a big picture. When your puzzle piece is complete, display it in your window for all to see. Then, when we are able to have everyone back in school, you can bring your puzzle piece in and we can all fit back together again.

Please feel free to send in a picture of your puzzle piece in your window at home.

Stay safe and hopefully see you all soon,

Mrs Goodsell
