

**Impact 2019 - 2020 Sport Premium Money at Monkshouse Primary School**

**£18,970 (plus £4000 carry forward) (22,970)**

<b>Actions (including staff and training needs)</b>	<b>Costs £</b>	<b>Projected Success Criteria / Intended Outcomes</b>	<b>Actual Impact</b>
Elite Sports Coaching lunchtime and afterschool clubs	£4750	To allow staff and children to participate in a range of new and exciting sports and clubs, which are led by professional coaches in order to develop their knowledge and understanding.	Children have received high quality PE coaching from PE specialists. This has also given the staff the opportunity to work closely with the coaches, and take these skills to their own PE teaching. Staff have commented how much their confidence has grown as a result of this. Children have taken part in a range of exciting lunchtime activities with Elite. Children have commented how they enjoyed learning new skills and behaviour on the playground has also improved as a result of this.
To increase new competitive experiences for pupils related to PE	£475 (tournament fees and leagues)	Access to local sports events including football and rounders matches in partnership with other local primary schools within our cluster. The focus will be to develop a higher quality of skills.	The netball team came 1 <sup>st</sup> in their league, however they did not get a chance to participate in the finals against the winners in the other league due to COVID19. The football team finished 2 <sup>nd</sup> in their league and Rounders did not take place due to COVID 19.
To provide CPD for 2 members of staff and whole school staff training	£1500	A 12 week block of CPD with teachers and their classes in school. Using a mixture of modelled teaching, paired teaching and observed teaching. Each	We have invested in 'upskilling' teaching staff to ensure that PE lessons are taught to a high standard and enhance pupils' skills and enjoyment within the subject. As a result, teacher confidence has

		<p>week also includes a meeting to review, plan and also learn about a different aspect of high quality Physical Education. Includes pre course meeting and post course report.</p> <p>Staff to learn games ideas to use in their lessons to make them more inspiring for their children; focus to be on active lessons.</p>	<p>improved significantly and lesson observations have been at least 'good'.</p> <p>They also feel more confident at using the equipment safely and how to model a range of techniques safely and efficiently.</p>
New sports equipment	£1975 (depended on budget remaining)	Extend available sports equipment to provide wider range of opportunities to enhance children's learning and extending outdoor play/lunchtime/after school club provisions.	Children have been enthusiastic by the new sports equipment and these have also been used as part of their lunchtime and afterschool clubs. Tri-golf, Boccia and Goalball are just a few examples of what the children have been participating in.
Secret Missions Clubs	£500	Change for Life leaders will be organising and leading a range of short, exciting sports for children who lack in confidence in this area of learning. From here, they will have the opportunity to take part in a C4L festival: an event with local schools. This will in turn improve their confidence and understanding in PE and sport.	Lots of children have accessed the club this year (up until COVID 19). The children have learnt about healthy choices and active lifestyles, which have impacted significantly on them both in and out of school. The children have also taken part in exciting team games and have learnt new skills. When a new skill was learnt, this was ticked off on their 'Secret Missions Card' and the children commented how much they enjoyed this area of the Secret Missions Club.

Mindfulness	£1200	All children have an opportunity to take part, and they will be encouraged in the art of reflection and mindfulness across year groups.	The children have taken part in afternoon Mindfulness sessions run by 2 qualified members of staff. Children have commented how focussed they are in lessons and if ever there was a time when they were feeling anxious/stressed, they would know which Mindfulness techniques to deploy to support them.
Speed Reaction Challenge Wall	£6500	Children to be encouraged to take part in active play/lunch times with the use of the Speed Reaction Challenge Wall. To be used as part of gym fitness/circuit lessons. To be used for children with behavioural issues.	Children have been enthused by this brand new and exciting game! They have enjoyed the competitiveness and the challenge this has had to offer. Children of all ages have been brought together with this device and behaviour on the playground has improved because of this. In addition to this, children with behavioural issues in school have used this to calm themselves down and refocus, and teaching assistants who have worked with these have commented how much of an impact this machine has had.
Navy Seals resilience training	£800	Children to partake in Navy Seals training focussing on mental strength, fitness, team building and perseverance.	N/A - due to COVID 19
Elite Athlete visit	£350	Elite athlete to inspire children to take up sport and explain what it takes to make it to the top. Children to take part in a range of exciting challenges run by the athlete.	N/A - due to COVID 19
Quidditch workshop and CPD	£1200	To deliver an exciting new sport to the children with an inspiring	N/A - due to COVID 19

		assembly and competition. Staff to leave with CPD training and equipment for future use.	
Mental wellbeing workshop	£600	Children to have the opportunity to learn about the importance of mental resilience and everyday strategies	N/A - due to COVID 19
Archery	£920	Children to have the opportunity to work with 2XGB elite athletes in Archery.	N/A - due to COVID 19
Administration for clubs	£200	To deal with administration and registration for a range of sports clubs	N/A - due to COVID 19
Additional lunch time clubs	£300	Children to be given the opportunity to take part in a range of sporting activities during lunch times	Our TA put on a range of sporting activities with the sports leaders. Participants enjoyed taking part in a range of sports and behaviour on the playground has improved as a result of this.
Athletics Club	£500	To deliver high quality Athletics to KS2 children. As a result, they will be prepared for the end of year School Games Athletics competition.	N/A - due to COVID 19
Transport	£200	Children to be given the opportunity to travel to competitive/festival competitions	Transport to be used to give children access to a range of sports competitions.
Gymnastics club	£1000	To deliver high quality gymnastics throughout the year in preparation for the end of year competition. Children to show their skills in an end of year assembly to the school and parents.	Children received high quality gymnastic coaching from 1 trained member of staff. An end of year presentation is usually put on show to the parents, however this did not take place due to COVID 19.

## Swimming:

Swimming is an important skill and can encourage a healthy and active lifestyle. The programme of study for PE sets out the expectation that pupils should be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25m.
- Use a range of strokes effectively (for example: front crawl, backstroke and breaststroke).
- Perform safe self-rescue in different water-based situations.

Swimming and water Safety (2019-20)  <u>PLEASE NOTE: this is a working document and this may be subject to change throughout the year.</u>	Please fill out all of the below:
What percentage of your year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25m when they left your primary school at the end of the last academic year?	81%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	81%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	81%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
