

Monkshouse Primary School Eco Song

(He's got the whole world in his hands)

Chorus

We need to save our planet
Be a team
We need to save our planet
Be a team
We need to save our planet
Be a team
We're making Monkshouse an Eco-school

We're going to keep our playground neat and trim
We're going to put our litter in the bin
We're reducing our rubbish, recycling too
We're making Monkshouse an Eco-school

Chorus

We're going to find out more about our world
Are people like us? That's what we've heard
We're planting flowers and trees, to help the bees
We're making Monkshouse an Eco-school

Chorus

We're going to save clean water and turn off taps
We're going to try and eat healthy snacks
We're going to exercise, and walk to school
We're making Monkshouse an Eco-school

Chorus
