

**Reception Parents' post induction questionnaire Oct 2019 (22 responses)**

Question	Response
How well do you think your child has settled at school?	<p>All positive responses          Very well          Has learned lots of new things          Loves school, has fun, talks about it all the time          Really well happy – loves teachers          Very well – she is proud to be at school          Loves it – comes home with something new every day          Always comes home happy and excited          Has taken to school much quicker than we thought          Looks forward to coming          Overall settled in well          Looks forward to coming to school every morning</p>
Did your child enjoy the 'Stay and Play' afternoon?	<p>All positive responses          Really enjoyed them          Well equipped with toys and activities          Nice to see where they will be going          Loved it          Gave us a chance to see what the school was like          Felt it was a bit disjointed</p>
How well do you think the visits prepared your child for school?	<p>Really helped a lot          Knew what to do to help them at home          Reduced the stress of starting school          Gave chance to meet teachers and classmates          Perfectly – chance to get used to their surroundings          My child was excited about starting          Made him more confident about the process          Gives the children an opportunity to get to know the school          Helped to get to know the environment, but maybe a session without parents would be beneficial          Helped, but was already used to attending Nursery          Helpful to feel more comfortable in the staff room</p>
Did you find the intake meetings for parents and our curriculum workshop helpful?	<p>All positive          Very helpful          Very informative – prepared us for what to expect during the year.</p>

	<p>Very useful – despite already having a child in Yr 3 – revisiting how things are taught      Great to get a general feel for the school      Good to find out what they are learning      Interesting to hear about what they learn      Would have appreciated a bit more on phonics</p>
Do you find the staff approachable?	<p>All positive      Always      Very approachable      Happy to leave my child with them      They are lovely      Helpful and friendly      Always helpful and easy to talk to      They could not be kinder      They are very reassuring      Everyone in school very helpful      Very kind and caring</p>
Is there any way we could make the induction process better?	<p>Mainly no      Maybe a photo of teacher/TA to remind them over summer      Settling in sessions without parents      Process is good as it is      Everything is perfect as it is      Let the children see BAFTA premises</p>
What were your main reasons for choosing Monkshouse?	<p>Recommendations      Non-religious      Fun atmosphere      Very friendly staff and students      Loved it on the open day – Headteacher really nice and was great      Pupils happy and enthusiastic      Sibling attends, but would have chosen it anyway      Close, secular and very friendly      Close to home      Good school      Attended Nursery      Family members attend      Good reputation      BAFTA      Liked what we saw on the Open Day      Great recommendations      Good OFSTED      Attended Nursery      Distance      Environment      Focus on Literacy and numeracy      Impressive on visit</p>

	<p>The best school around!! Classrooms/outdoor areas/BAFTA</p>
Additional comments	<p>It is a really good school We love the school My child has learned a lot in a very short period of time Really happy with everything about the school Really happy with progress made to date Really like the school Appreciate all the help and support we have had Teaching staff fantastic</p>
