

# Year 1 – Term 2

## Art

Last term we made clay animal and this term we will continue to look at sculptures. We will use junk as our media to make models this term.

## Maths

Week 1 – Subtraction

Week 2 – 2D and 3D shapes

Week 3 – Counting to 20

Week 4 – Numbers to 20 1 more/less

Week 5 – Number line to 20 Comparing and ordering numbers

Week 6 & 7 – Consolidation of numbers to 20

## RE

We will continue the theme of being thankful. We will learn about the creation story and the importance of Christmas.

## DT

In DT we will make our own structure using the techniques we learnt last term when we made a windmill.

## PE

PE this term will be Gymnastics and Sending and receiving a ball.

PE days will be:  
Wednesdays and Thursdays for both classes.

## English

We continue following the Curious Quests in English and write codes for our inventions to send to Professor Klunk. We will be sent a different story per week to use as a stimulus for writing. We will make sure our sentences contain full stops and capital letters.

## History

We will be finding out how toys have changed since the 1970s. We will be asking our caregivers and grandparents what toys they enjoyed playing with. Please send in photos of any old toys you think might be of interest to us!

## Important Dates

Individual school photographs 19th November

Christmas productions 9th and 10th December.

## Science

In our first science lesson we will be observing seasonal changes, then we will begin a unit of work on materials which will continue into term 3. We will start by looking at different types of material

## PSHE

We will be using the scheme SCARF to think about 'Valuing Difference'. This will link to Anti-bullying week

## Home learning

Reading books will be changed every Wednesday. We ask that you read with your child 5x a week. New phonic sounds and words will be sent home when a new spelling is introduced. Maths will go home on Fridays. Please continue to play Numbots.
